2012年とSzeged UniversityとShanghai International Studies Universityは、私たちの両校は、孔子学院で豊富な経験を積み、互に高い教育と研究の水準を持つ両校の間で、孔子学院はこれまで多くの成功を収めています。これは、この孔子学院が、その地域における孔子学院の運営と開拓に貢献したことを示すものです。私たちは、孔子学院が将来ますます多くの成功を収めることを願っています。

With the establishment of Confucius Institute with Shanghai International Studies University in 2012, the University of Szeged, as a major research university in Hungary, is pleased to establish fruitful contacts with higher education organizations in the People's Republic of China. It is a miracle that such a short time the SZTE Confucius Institute has become the leading and influential institution in this region in delivering Chinese language courses and organizing Chinese culture programs. This achievement is owing to both the devoted engagement of our Confucius Institute staff and the great support of Hanban. I wish that the vigorous and dynamic development of our Confucius Institute will carry the University of Szeged further in its international integration and bring about more successful co-operations in the future.
